**HON'BLE THE CHIEF JUSTICE MR. VIJAY BISHNOI**  
**HON'BLE MR. JUSTICE N. UNNI KRISHNAN NAIR**

**03-10-2024**

*(Vijay Bishnoi, C.J.)*

This PIL petition is raising an important issue regarding illegal organisation of offline and online lottery in the various districts in the State of Assam.

Mr. H.K. Das, learned Amicus Curiae has informed this Court that as per the Lotteries (Regulation) Act, 1998 and the Lotteries (Regulation) Rules, 2010, only the State Government can organise a lottery, that too, on certain terms and conditions. It is submitted that in many of the cases, applications are moved by the individuals seeking permission from the concerned District Commissioners for organising offline or online lottery and some of the District Commissioners are granting the said permission without any authority.

Mr. Das submits that since festive season has commenced and there is every likelihood that illegal offline/online lotteries will be organised in many places of Assam while obtaining permissions from the concerned District Commissioners/authorities, a strict prohibitory order is required to be passed by this Court so that poor people of the State of Assam may not be duped by the illegal organisers of offline/online lottery in the State of Assam.

Mr. R.K. Borah, learned Additional Senior Government Advocate, Assam submits that he is in receipt of response from twenty five District Commissioners of Assam and all of them have informed that no such permission has ever been granted by them to any such person for organising offline/online lottery.

It is noticed that till date no response is filed on behalf of the State to counter this PIL though counter affidavits have been filed on behalf of some of the District Commissioners, who are impleaded as party respondents in this PIL petition.

We are of the view that the State Government is required to file its response by way of counter affidavit in this PIL petition stating therein as to how the State Government is proceeding to tackle the illegal organisation of offline/online lotteries in the State of Assam. The respondent State is granted six weeks' time to file the counter to the writ petition.

In the meantime, the State Government shall issue direction to all the District Commissioners, including the Superintendents of Police of all the districts of Assam not to grant any permission to any individual/organisation for organising offline/online lotteries and in case any such offline or online lotteries are found to be organised illegally, the concerned Superintendent of Police shall take immediate action against those persons/organisers in accordance with law.

The said directions are required to be issued by the State Government within a period of one week from today.

List the matter after six weeks.
