		Achievement of treatment by Mobile Veterinary Units.	DVO, SSM informed the house that a total of 2016 animals has been treated by the Mobile Veterinary Units for – Respiratory, parasitic, reproductive, Skin Disease, Metabolic and Others categories of diseases in the month of June, 2026. The Chair instructed that geo-tagged photographs of the Mobile Veterinary Van be properly maintained and updated as a record for monitoring and verification purposes. The same shall be submitted on a monthly basis. The concerned department was directed to ensure regular documentation of the vehicle's movement and activities.	DVO, SSM

15	Animal Husbandry & Veterinary	Animal Husbandry & Veterinary Department / Office Maintenance	During a recent visit, the Chair observed that the office condition at the Sub-Division level was not satisfactory. The Veterinary Development Officer (VDO) was instructed to ensure proper maintenance of the office premises, improve office decorum, and maintain a suitable working environment. The VDO was further directed to submit photographs of the improved office condition during the next District Development Committee (DDC) meeting for review.	DVO, SSM
16	Transport	Traffic Management	The District Transport Officer (DTO) presented a proposal for establishing a parking facility in the Hatsingimari super market area. The Chair instructed that, after obtaining necessary approval, proper enforcement of parking regulations should be ensured and strengthened to maintain effective traffic management. The Chair further directed the DTO to present monthly enforcement activity data during every District Development Committee (DDC) meeting. He also instructed that a monthly revenue collection report should be submitted regularly for review.	DTO, SSM

17	Employment Exchange	Absence of the assistant employment officer	The Chair expressed his dissatisfaction over the absence of the Assistant Employment Officer from the DDC meeting without any prior intimation or permission. He directed that all concerned officers should ensure their presence in future meetings and, in case of unavoidable circumstances, proper intimation should be provided in advance.	All HODs ADC(Employment Exchange) Assistant Employment Officer
18	Soil Conservation	Kalo River Erosion & Flood Management	Regarding the issue of Kalo River erosion , the Chair instructed the Soil Conservation Department to assess the feasibility of taking up any suitable scheme for mitigation of erosion and submit necessary recommendations. The District Project Officer (DPO), DDMA , was directed to consult with the concerned department to identify the causes of flooding and explore possible remedial measures. The Chair further instructed the Soil Conservation Department to submit a detailed report on the matter by 29 July for further review and necessary action.	Soil Conservation Department DPO, DDMA,

Department-wise Brief Informative Review

Sl. No.	Sector	Administrative Department	Scheme/Project /Programme	Issues discussed/Decisions taken	Action to be taken by
1	SOCIAL	Health & Family Welfare Health & Family Welfare	PM-ABHIM	JDHS, SSM informed the house that out of 19 sub-centers under PM-ABHIM: 7 sub-centres have been completed and handed over. 8 Sub-Centres are under construction; 3 projects have been surrendered by the contractors. 1 project has been taken up for re-tendering (Manullapara SC). - The Department informed that seven Sub-Centres have been completed. However, Bangrirchar SC and Fekamari SC, though handed over, are yet to become functional due to the absence of approach roads. Ongoing Construction Works - The Department presented the progress of the ongoing construction works. It was reported that: - Kukurmara SC and Jewali SC have achieved approximately 92% progress and are expected to be completed by 31 July 2026. - Jhalorchar SC has reached 98% completion. - Teporpara, Patakata, Dharakoba and Takimari Sub-Centres are progressing at different stages, with completion targeted between September and October 2026. - Warning letters have been issued to the concerned contractors wherever delays were observed. - Jordanga SC has not yet commenced construction, as approval of the proposed elevated model is awaited. Cancelled and Re-tendered Projects - The Department informed that construction works of Bamuneralga SC, Katdanga SC and Kuchnimara SC have been cancelled following requests from the contractors, while Manullapara SC is under the process of re-tendering.	

1		Health & Family Welfare	XV Finance Commission Projects	Integrated Public Health Laboratory (IPHL) at District Hospital, Hatsingimari :- JDHS, SSM informed the house that, as of now, the physical progress of the work stands at 20% .	
				District Drug Warehouse Warehouse at Fekamari JDHS, SSM informed the house that, as of now, the physical progress of the work stands at 10 % .	
2	ECONOMIC DEVELOPMENT	Agriculture	Action Taken Report (ATR)	The DAO informed the house that, in compliance with the resolution adopted in the previous District Development Committee (DDC) Meeting held on 22nd June, 2026 , information regarding sources of vermi compost for decomposition of compost pits had been furnished to the Executive Engineer, Public Health Engineering (PHE), South Salmara-Mankachar, thereby promoting convergence between agriculture and sustainable waste management.	

2		Agriculture	AgriStack – Farmers' Registry	The DAO, SSM informed the House that an initial target of 40,000 farmers had been set for the district, which was subsequently revised downward to 34,000. As of now, 25,796 farmers have been enrolled, of whom 20,447 registrations have been approved, achieving 60.13% of the district target. This performance is significantly above the State average of 38%. The major challenges highlighted were: • Land ownership-related issues; • Mismatch in farmers' names and their fathers' names; and • Registration of tenant farmers. To improve coverage, the Department has initiated Revenue Village-wise registration camps with the active involvement of Gaon Pradhans. Lists of PM-KISAN beneficiaries pending Farmers' Registry registration have also been shared with Agricultural Development Officers (ADOs), Agricultural Extension Assistants (AEAs), and Gaon Pradhans for necessary action.
